Instructions For Taking Pictures Of Your Tour

1. Use a digital camera rather than a camera phone
2. Set your camera to high resolution images - at least 1 megapixel
3. Take lots of pictures
4. Take pictures of your group on the plane to and from Israel, and at the airports.
5. Take pictures of your tour guides and of your tour ID's & tour signage . We'll want to include them in your PhotoBook.
6. Take lots of group shots for your Holy Land Tour PhotoBook
7. Take pictures with identifiable landmarks, views or objects in them. This will make it easier for us to organize your pictures according to your itinerary.
8. Enjoy all the beauty and history that Israel has to offer !
